

The **Care of Creation** group
and St Mary's
St Vincent de Paul

join in encouraging all Napier parishioners
to support our

Reuse and Recycle (R & R) tables

At one Mass on the third Sunday of every month, 'R & R tables' will be set up outside church.

The purpose is to provide parishioners with the opportunity to:

- Bring small items that can be recycled at the Environment Centre
- Donate items that can be sold at the St Vincent de Paul Shop
- Bring surplus garden produce that can be used by fellow parishioners
- Take some time to learn more about how we can contribute to what Pope Francis calls 'the cry of the earth' and 'the cry of the poor'

We take our lead from Pope Francis' Encyclical Letter, **LAUDATO SI'**,
on the Care of our Common Home.

'St Francis of Assisi ... shows us just how inseparable the bond is between concern for nature, justice for the poor, commitment to society, and interior peace.' (10)

'Today ... we have to realize that a true ecological approach always becomes a social approach; it must integrate questions of justice in debates on the environment, so as to hear both the cry of the earth and the cry of the poor.' (49)

Please share your surplus garden produce

If you have surplus produce from your garden please bring it along. It might be just what a fellow parishioner needs.

As parishioners, you are free to take from the table any produce you can use.

Please bring small, clean items for recycling at the Environment Centre

 <p>1004 Karamu Road North, Hastings</p>	<p>Aluminium bottle screw tops</p> 	<p>Metal bottle caps and jar tops</p> 	<p>Aluminium foil and trays (clean)</p>
