PRINCIPAL'S REPORT 2010

Good morning everyone. It is a pleasure to present my annual report, my fifth as Principal of Sacred Heart College

Sometimes I imagine that SHC exists in a bubble up on the top of Napier hill.... inside this bubble it is mostly a very peaceful environment characterised by harmonious and mutually respectful relationships. People are encouraged to be themselves, express themselves safely, and to achieve to their potential. As the Catholic Education Office described it in their Special Character review, The Sacred Heart College mission statement 'Every young woman learning for life in a Catholic faith environment' is a lived reality'.

Outside the bubble from where our students, and staff, come every day there exists a culture of excess, where sexuality is central, where the cult of the body is worshipped, where violence and alcohol are endemic and where money and pleasure proliferate.

Recently an ambulance crew responding to an emergency situation was on the receiving end of malicious behaviour by a group of young people. The crew had their personal belongings removed from the ambulance and the radio was taken while they attended to the emergency. The radio was then used to mock the personnel while they attended to their work. Brother Patrick Lynch, leader of the NZ Catholic Education Office uses this example to highlight 'a growing number of emergent young people who appear to be moral zombies with little empathy for their fellow human beings.' The media portray that nirvana is attainable through saturating our young people with images of over sexed, under dressed, techno advantaged, alcohol induced pleasure seekers.

Meanwhile back in the bubble.....am I simply naïve or perhaps spending too much time in my office! I invite you be the judge.

All aspects of SHC life are rooted in the desire to develop young people who as St Ignatius of Loyola espoused, are grateful, forgiving and loving people.

The Special Character report said, 'The girls epitomise the college mission statement through the positive manner they present to others. They are confident, excited, enjoy challenges, and say they are "ready to live in society". This is a reflection of their holistic learning fostered by the college through teaching, witness, service and worship".

While I have been impressed by the call of our brother college for their students to become a St John's man, I am a much bigger fan of the sisterhood of Sacred Heart.

A young German student in a speech to our assembly after she had spent 8 weeks with us said school was very different in NZ to her native Germany. She described taking 15 subjects including 3 languages and finishing school at 5pm. She said, 'So as you can see you learn a lot in Germany. But I wonder if the things you learn here are more important. You learn how to treat each other, to be respectful and to work as a team. In Germany it's more about competition. There exist some jealous people who only care about their own profit. Here you really support each other. So I want to thank everyone for letting me make all these positive experiences. Thanks to all my teachers for welcoming me, looking after me and inspiring me. I think it's the heart of the school that makes it so special. It's a sacred heart."

So the bubble is real. It competes with a dazzling array of choice for parents. And so as a Catholic school we have to be good. We become a magnet for some families who are looking for the 'brand' that will make it possible for their children to be successful in life. Students often come into the school expecting one thing and will discover something far richer, a treasure beyond all telling, a system of meaning that will enable them to make sense of their lives. This brand is why our non preference roll is always full and why a long waiting list exists. The irony is that those Catholic families whose perception about option choices and resources propel them to enrol at state colleges, would by their very presence with us enable us to develop options and resources they hold as so important. So thank you to our Catholic families who make the choice for their children to graduate through Catholic education to its zenith at secondary school, and can I suggest you engage in challenging conversations with those who chose the fork in the road.

Best Evidence Synthesis, a fancy name for research, is unequivocally clear that a holistic, loving approach in education does work with all students. That approach and the absolute commitment of students to their learning yielded outstanding NCEA results last year. Three Scholarships and pass rates at all three levels of NCEA way beyond both national levels and for similar types of schools proves that at Sacred Heart student achievement is at the highest levels, and with Religious Education as a stake in our curriculum programme. On a lighter note it has been pleasing to see one budget exceeded; that of NCEA endorsement badges; keep up the pressure on the budget girls.

Can I encourage all students to continue their quest for Excellence, and engage your imagination in the process. The imaginative mind is as important in education as literacy and numeracy. Imagination is a higher order thinking process – it is the power that enables us to empathise with humans whose experiences we have never shared. So take the time for playful thinking, daydreaming, embracing the entire world and all there ever will be to know and understand.

As far as role models of high achievement across the curricular, virtuous behaviour and resilient endeavour our student leadership In 2011 has been blessed. In our Head Girl Christina Noetzli we have a young woman who I believe Euphrasie Barbier would surely endorse as a true Mission Sister's product. Christina has been superbly supported by Jordan Anderson, who has already chosen her Member of Parliament's seat in the House of Representatives. These two young women have ensured life in the bubble has 'the look of love about it'.

A former Principal I had the privilege of working under used to say, judge our school by the young men (as it was in this case) we turn out after 5 years of our formation. Using that as a yardstick our Yr 13 graduates are a group of fine citizens. Thank you for your energy, your contributions and for your companionship.

As this is a report I wish to tell you Mums, Dads, grandparents, relatives, friends and supporters of Sacred Heart our girls are just the best; they make me very proud to be their Principal; thank you girls for being who you are.

In the preparation for this prizegiving we have been very mindful of the presence of Mrs Trish Carthew. Yes her presence because we know she is hovering ready with a sharp rebuke should anything not be right! The sudden passing of Trish devastated our school community; we lost a much loved and respected colleague and teacher. Trish's generosity and faithfulness were the hallmarks of a truly special lady.

I acknowledge other staff who have left Sacred Heart; for the desert of the Arabian Gulf, for the rustic South Island, for business ventures, home to the UK, into retirement, and opportunities beyond teaching, and so to Ron Scott, Rebecca Pearce, Judy Waapu, Amanda Rutherford, Sue John, Barbara Bruce, Gay Haley, and Adrienne Hobson thank you for all your work, good spirit and contributing to the aura of the bubble.

Sacred Heart's teachers, like others all round NZ, have been embroiled in industrial action for many weeks. I endorse their cause wholeheartedly for the work they do – like an iceberg much of it undetected and weighing down a challenging surface. Thank you staff for everything you do.

The gang of four are associated with political shenanigans in China in the early 1980s as they attempted to undermine the communist party there. We have a gang of four who have achieved just the opposite; strengthening our school community. For 4 years they have been the heart and soul of our PTA; Chairperson Kath Zaloum, secretary Janet Kermode, treasurer Vonnie McCleary and member Michelle Dunstall. Thousands of dollars have been raised to support teachers and student needs and the name of Sacred Heart has been promoted.

Thank you for your service to the College; it has not gone unnoticed.

When seven Trustees retire from the Board of Trustees a Principal becomes nervous! I needn't have worried. The transition from the Debbie Neave chaired BOT to the Dean Devereux era has been seamless. Our trustees review and plan for better student and staff outcomes; their genuine interest, professional skills and good humour have been a pleasure to work with. Thank you Debbie and team. To Dean and the new BOT what a wonderful start – the future governance of the College is in good hands.

And so looking ahead. as part of the first year of an ICT cluster with Karamu High School and William Colenso College we are engaging with electronic technologies to enhance learning and teaching. I am proud to report that our staff have been instrumental in the leadership and commitment to embrace pedagogies that advantage our goals. A key element of those goals has been the integration of ICT through effective relationships. People always count; it's not about headphones and screens but staff and students connecting and sharing exciting ICT to unlock understanding and learning.

The hostel closure sadly severed over one hundred years of domestic residence for students of SHC. The fallout for our school roll is now being felt as staffing and budgeting restraints impact for 2011. Meanwhile the Mission College Napier Trust Board, which comprises excellent personnel, are planning for the redevelopment of the hostel buildings and associated land with the sole focus that whatever is decided will be in the best interests of Sacred Heart College.

I am told, by my wife, that the traditional role in many schools is for the Principal's wife to present some of the prizes at this occasion. A Principal's wife doesn't get too many perks and so I have included Julie as a presenter of prizes today. Thank you Julie for your huge support, encouragement and love that never wavers; I could not do this job without you.

Let me finish with a perspective from within the bubble. We all long for community. Sacred Heart offers a community where consistent values are important; if you stand for nothing you fall for everything. Mrs Trish Carthew's memorial card had these words from Vincent van Gogh,

But one must love with a lofty and serious intimate sympathy, with strength, with intelligence, and one must always try to know deeper, better and more. That leads to God, that leads to unwavering faith.

I wish you all a very happy, peaceful and holy family Christmas. May the Spirit abide in you all.

Kia tau te rangimarie a, kia tau hoki nga manaakitanga ki runga i a koutou katoa i te wa o te kirihimete. Ma te atua e manaaki, e tiaki i a koutou katoa.

BOARD OF TRUSTEES REPORT 2010

In May this year the new board was elected and took over the governance role of a school that was in very good shape. The outgoing board in conjunction with Steve Bryan, the senior management and staff can be proud of their respective performances and are to be congratulated.

Since inception, the new board has gelled together very well, with an energy, enthusiasm and passion for the tasks ahead. There is a wide reaching and diverse skill set amongst your trustees and with the dawning of a new educational year just around the corner, the platform exists to continue the solid foundation already laid.

During the year we received our Special Catholic Character report which externally assesses the delivery of the school's Special Character values. The findings were nothing short of glowing. It is a clear affirmation of the calibre of people we as parents are fortunate enough to have guiding our daughters into womanhood.

The school's proprietor, Mission College Napier Trust Board, is currently undertaking due diligence on the best options for the old hostel buildings. As you can appreciate, this process highlights a plethora of issues. However there remains an overriding and unwavering focus on what is best for our school now and in the future. There is a lot of work to be done before we will be comfortable with the ultimate project structure.

PTA REPORT 2010

It is that time again for me to present to you my end of year report on behalf of the PTA.

Our year started on a good note with some new members coming on to our PTA which was lovely to see. We started the year with our first fundraiser – the Rugby Raffle which we sell every year. This year we sold tickets for the raffle in May/June. It went well and we made a profit of \$5377.00. The first prize went to Greg Dick, second to Joanne Porter and third prize to Ron Scott. The money raised from this raffle was spent on ICT equipment. We still find this to be the best form of raising money for our school as it is an easy raffle to sell and it seems the idea of posting out the raffle books to the girls worked better than in previous years. A big thank you to those families who supported this raffle by selling their books.

Our next fundraiser was the Work Day which we had on the 19th July. This raised \$4896.00 which was spent on various items from a wish list that the students had put together.

The PTA also donated \$1000 to go towards the Trish Carthew Memorial Garden at school. We as a committee wanted to acknowledge the many years of dedication and time Trish had given to the students of Sacred Heart College.

The PTA also recently gave our junior students the opportunity to purchase Subway for their lunch as a treat while the seniors were on study leave. This was not a big fundraiser but raised \$72.50.

Financially 2010 is looking as though it will be a shining example of prudent cashflow management by your school, with a better than projected cash surplus likely. Given the background of a financial climate as bad as many have seen in recent memory it is an outstanding result, the benefits of which, cannot be underestimated.

This outcome could not come at a better time given the heightened fiscal challenges we now face for 2011.

In 2011 we have another hugely challenging year ahead. However this time of year is about reflection and stopping to take a breath. I would urge everyone to reflect on your own personal successes of 2010, be proud of your achievements and proud of being part of the Sacred Heart family. We have something special and unique here on the Hill and we mustn't take that for granted.

Finally, I would like to thank my fellow trustees, Steve and his team and you the parents who entrust your daughters to our school. God bless.

Dean Devereux
Chairman
Board of Trustees

Items purchased this year from money we have raised include:

- a new school camera
- the memorial seat, library books and plants for the Memorial Garden Area
- Year 9 library books
- data projectors
- tracksuits
- curtains for room 304
- donation to the CAPS project
- approx \$2000 to remove the old pool and landscape the area
- magazine sponsorship

I would like to thank all out PTA members for the time and commitment they have given over the past year. Remember, it is a great way to meet other parents of our school community and to be involved in your daughters' education. I would like to wish you all a very happy and safe Christmas and new year.

Mr Ron Scott

Mr John Cusack

Mrs Sally Rutgers

STAFF LEAVING...

Mrs Judy Waapu left us in her 30th year at the College to work in careers advisory outside the school system. Mrs Waapu has shaped the pathways of many students through the STAR/Gateway classes; we acknowledge all she has done and wish her happiness in her new pursuits.

Miss Amanda Rutherford, Head of Social Sciences and enthusiastic teacher of Geography, left at the end of Term 2 to return to England for family reasons. Miss Rutherford had a major impact on the school during her three years with us – she reshaped the Social Sciences department, she awakened our environmental consciousness with recycling programmes and worm farms, and she initiated ski and snow trips for all levels of the school.

Mr Ron Scott, Year 10 Dean and Mathematics and Specialist Classroom Teacher left at the beginning of Term 3, after seven years at Sacred Heart, to become an education advisor in Abu Dhabi. Mr Scott was not only a patient and generous teacher, he also managed and coached Tennis and Football teams and helped a number of our beginning teachers get their careers underway.

Mrs Sally Rutgers, Cultural Co-ordinator, left at the end of last year to do a similar job at Napier Girls' High School. Sally was both efficient and easy-going and her abilities as a pianist were invaluable to the music department.

Mr John Cusack, our caretaker for a year, left at the end of 2009.

STAFF ARRIVING...

Mrs Robyn Hocking changed roles at the beginning of the year to become a classroom teacher of accounting and economics instead of our Sports Co-ordinator.

Mr John Halas is our new caretaker and his cheerful and helpful style has been welcomed from his arrival.

Mrs Lisa Osborne is our new Sports Co-ordinator and has leapt into the role with enthusiasm. She is a dedicated sportswoman herself and has continued from where Mrs Hocking left off.

Mrs Marilyn Ebbs is our new Cultural Co-ordinator. With a background as a dance teacher she has slotted into her new role with enthusiasm.

Mr James Wakefield arrived in August from Napier Boys' High School to become our new Head of Social Sciences.

Ms Adrienne Hobbs joined us in August to co-ordinate the Star and Gateway programmes and teach Social Studies.

Mr Philip Ward completed a teaching practice at the college last year as part of his teacher training and liked the school so much he has come back to teach Mathematics.

Mrs Karyn Johnson has seen two of her daughters move through the school and has now joined up herself as a teacher aide.

Patricia Carthew

The sudden death of Trish Carthew in May shocked the whole school community. It was very difficult to come to terms with the fact that having had morning tea together on Monday morning that she was gone from us by the end of the day.

Trish was the longest serving member of the English Department having

been here at Sacred Heart since 1989. Over the years she taught hundreds of students and passed on to them a love of literature and language. Her belief in each of our students and her determination that each one would achieve to their potential saw her students achieve excellent results in external examinations. Her 2010 students and her friends from school paid some lovely tributes to her at the Vigil Service held on the Friday following her death and the Year 13 song tribute to her at school was very special.

Her love of books and her dedication to the school library was always evident. The library garden which has been developed in her memory brings together her love of reading and gardening. Trish's floral arrangements at so many of our school prize-givings and other events were legendary.

Trish was also very kind and generous to her friends and family and this was extended on to our children as well. The little gifts to mark important occasions in their lives were something they will never forget. I know my daughter Sara was so thrilled when Trish sent an engagement present to her in Japan earlier this year and Anna was

in the process of writing a thank you card for her graduation present when I rang her with the sad news. We know too that Trish would have been so excited for Emma Twigg and the Bronze Medal she won at the Rowing World Champs.

Trish is missed on so many levels. In this school community she is missed as a dearly loved friend, an outstanding teacher, a Catholic who led by example, a woman of principles who was always ready to defend the rights of others and a colleague who always went the extra mile.

Until we meet again, May God hold you in the hollow of His hand.

An Irish Prayer

Death is nothing at all.

It does not count.

I have only slipped away into the next room.

Everything remains as it was.

The old life that we lived so fondly together is untouched, unchanged.

Whatever we were to each other, that we are still.

Call me by the old familiar name.

Speak of me in the easy way which you always used.

Put no sorrow in your tone.

Laugh as we always laughed at the little jokes that we enjoyed together.

Play, smile, think of me, pray for me.

*My Beloved lifts up his voice, he says to me,
'Come then, my love, my lovely one, come.
For see, winter is past, the rains are over and gone.*

The flowers appear on the earth.

*The season of glad songs has come,
the cooing of the turtledove is heard in our land.*

*The fig tree is forming its first figs
and the blossoming vines give out their fragrance.*

Come then, my love, my lovely one, come.

*My dove, hiding in the cleft of the rock,
in the coverts of the cliff, show me your face,
let me hear your voice; for your voice is sweet
and your face is beautiful.'*

HEAD GIRL'S REPORT

2010. Twenty Ten. Whatever way you want to say it, this year has without a doubt been the most influential and utterly amazing year; the perfect way to finish off what have been five beautiful years. The challenges and the rewards, the ups and the downs, the joy and the disappointment; every moment has been an unbelievably amazing gift. I am honoured to have been Head Girl of 2010. Even after a whole year, as I sit here writing this report I still can't believe it! Me? Head Girl?! More than words can describe, it has been the most amazing opportunity. It has without a doubt changed my life and made me into who I am today. But I couldn't have done it alone.

First of all thank you loving God for all the gifts you have blessed myself and others with this year. I would be nowhere and no one without your love and strength. Thank you.

Over the past five years Sacred Heart has given me more than I can comprehend.

As clichéd as it may sound, it's scary how it honestly feels like yesterday that I first arrived at Sacred Heart. It is only now, when my final year is drawing to a close that I begin to realise just how amazing it has been and how much I am going to miss it. Those who say that high school years are the most important years of your life are right. Our Sisterhood has transformed me from a shy, timid and wary 13 year old girl into who I am today. The confidence, support and love it has given me will stay with me forever. Thank you to all the girls of Sacred Heart from 2006 up till this year. YOU are the Sacred Heart Sisterhood; your smiles, stories, friendship and fun! Thank you for giving me the memories I will keep with me forever.

The amazing Staff; its only this year that I've truly come to appreciate the amazing job that you do, especially since I've finally realised that you DO have lives outside of school (If only we'd all realise it sooner!) Mr Bryan, Miss Saddler, Miss Naidoo, Mrs Walewski and all the amazing staff (who I would've loved to name had it only been practical) for all the hours of support, learning and discovery. The beautiful office ladies, Mr Halas, Syria and all the 'behind the scenes' stars who lift us up and make school as beautiful as it is. More than words can express you have helped me in ways I can't comprehend. Your words of advice and support will stay with me forever.

Jordan, my incredibly talented deputy; your knack for getting things done has literally saved my life numerous times. Your way with words, humour and confidence made the task of writing speeches a molehill instead of a mountain. Your enthusiasm and support kept me going when I thought I couldn't. You shared any weight on my shoulders and without you I wouldn't have had the amazing year I've had. Jordan, for the big things and the small, thank you. I can't believe how lucky I've been to have you next to me. You are one of the most amazing people I have ever met.

To my year group, the girls who will forever and for always be 'the Class of 2010'; THANK YOU! Girls, what we have shared with each other have been the most important and defining years of our lives. And we've survived. Looking back at the many times I've been asked how Head Girl was going, I realise I have YOU to thank for my answer. You have made my role the amazing experience that it has been and I only wish that in between my threats about getting kicked out of the common room and scraping together the dollars, I'd said thank you more often. You have made this year the amazing one it has been so thank you, more than you'll ever realise, for your support, your ideas and the smiles. YOU were the ones who kept me going and gave me the confidence to follow my heart. I truly couldn't have done it without you and I only wish I could do the same for you.

Don't ever let ANYTHING or ANYONE hold you back from living your dreams! You all deserve the best so don't you dare settle for anything less. Love you guys and going to miss you all!!! God Bless and Good Luck!

To my amazing family; thank you for your unwavering love, care and support. You saw the more stressed, grumpy side of me and still loved and accepted me.

To next year's leaders; Year 13 is the busiest but best year yet and time truly does fly.

Take the time to enjoy the little moments as well as the big.

Every opportunity is once in a life time so give it your all; the more you put in the more you'll get out.

And most importantly; believe in yourself and have the time of your life!

Each and every one of you is amazing and capable of more than you could ever imagine.

Thank you. In ways words can never express. I hope you all have awesome holidays and receive the rewards that you deserve.

Life is challenging but come what may;

God will never give you anything that you can't handle.

Thank you, much love and God Bless

Christina.

THE HOSTEL

One hundred and forty-three years of history came to an end in Term 1 when the hostel closed. Sister Carmel Cassin has provided a short history of the hostel and its place in the school.

HISTORY OF SACRED HEART COLLEGE HOSTEL

When the college opened in June 1867 there was a small number of boarders who were accommodated in the building which also housed the school. Eventually the numbers grew and a new boarding hostel was built in 1887. It is the upper storey of what were the new classrooms then, but which today form the Cultural Centre.

Numbers increased quite quickly and from the earliest times the Sisters accepted any child of school age, from five to fifteen or sixteen. However, there were a few younger ones who were orphans and the Sisters who were not teachers minded them during the day while the others were at class. There were always two Sisters on duty each day and they oversaw the getting up and going to bed, the mealtimes (other Sisters cooked their food in the Convent kitchen) and study times in the afternoons and evenings. They slept in a cubicle off the dormitories. As well as these duties the Sisters taught school during the day, either at Sacred Heart College or in one of the outlying Catholic primary schools.

The boarders made good use of the tennis and netball courts, and then at the end of the 1950s the college's learner swimming pool was a welcome addition to the facilities.

In 1954 the "old" boarding school was in need of big repairs but, because it was built of kauri and money was scarce, it was renovated and made much more convenient than before. In 1964 a new wing was added with the kitchen and dining room on the ground floor and accommodation for senior girls upstairs. It stands beside the big car park.

In the early 1980s a Hostel Management Board was formed and a few years later the Sisters were able to withdraw from responsibility for the hostel. Alterations were made upstairs to accommodate hostel staff in small flats. It was about this time that the eastern wing of the Convent was handed over to be used by the hostel.

The disastrous fire which destroyed the Convent and the Chapel in June 2001 badly damaged the hostel building. Fortunately Princess Alexandra Hospital in Ahuriri, which had recently closed, was still vacant and arrangements were made to use the buildings while the hostel was repaired.

Numbers began to dwindle and without at least 50 boarders on the roll it could not be a viable concern. In 2010 the decision was made to close it.

Sister Carmel

The building is still there though and the Mission Trust Board, which owns it, is working on different scenarios for how it will be used. Whatever happens, it will certainly have a role to play in education here on the hill.

HOUSE REPORT - AUBERT HOUSE 2010

Once again, Aubertians lived and performed up to expectations. 2010 has been a tremendous year with house members competing with enthusiasm in swimming sports, athletics and cross country. This great enthusiasm and participation resulted in outstanding placing in these three events:

- 1st – Athletics
- 1st – Cross Country
- 2nd – Swimming sports

We are also proud to acknowledge the following Aubert members as our high sporting achievers for 2010;

ATHLETICS:

Senior

- 1st – Judy Faka'osi
- 2nd – Melanie Hinton
- 3rd – Liitania Seumanutafa

Intermediate

- 3rd – Anya Morrish

Junior

- 2nd – Christine Stewart

SWIMMING:

Senior

- 3rd – Siobhan Hughes

Intermediate

- 2nd – Bryny Whittaker
- 3rd – Aden Dick

CROSS COUNTRY:

Senior

- 3rd – Litecia Gyde

Intermediate

- 1st – Anya Morrish
- 2nd – Taela Eggers

Junior

- 2nd – Holly Bates

Congratulations for your outstanding sportsmanship.

To our follow Aubertians, we have had a great time being your house leaders. To the upcoming house captains for 2011, do us proud and keep living up to our house reputation!

Best of luck for 2011, Solana and Stevie
God Bless!

HOUSE REPORT - BARBIER HOUSE 2010

Barbier had another great year when it comes to house events. All the girls in our house had great personalities and Olivia and I fully appreciated the girls' great natures and their willingness to listen and try new things. All the girls participated well which was reflected in our great results. Every girl who participated in swimming sports or athletics gained house points for our house so it didn't matter whether you were a great athlete or not. In the Swimming Sports which were held in the first term we had some great swimmers and ended up coming 3rd, in Athletics our house came 3rd again and in Cross Country we came 4th. We had some outstanding performances especially from Grace Meates who came 3rd in the junior championship and Siobhan Hughes who came 3rd in the senior championship. Anita Noetzli and Anya Morrish came 1st and 3rd in the intermediate championship for Athletics as well. A special thanks to Mr Scott, Mrs Wakeling, Miss Bicknell and Mr Ashley Brown for all their help and support throughout the year - it didn't go unnoticed and was much appreciated.

HOUSE REPORT - HOLDERNESS HOUSE 2010

We all live in a yellow submarine, a yellow submarine, a yellow submarine. WE all live in a yellow submarine BUT WE DIDN'T LIKE THE COLOUR SO WE CHANGED IT BACK TO GREEN!! Five years we have been in Holderness house and throughout the past four years our winning streak has slowly dissolved, so this year our goal was to win something or at least not come last. Motivation was the biggest hurdle. No-one wants to be part of the stereotypical losing team. However, a few inspirational characters and lolly bribes encouraged green house to step up and try and try and try and try again. The girls participated well in all interhouse competitions and worked hard on their cheers leaving most without a voice. In Athletics we did an amazing march and several of our girls got into finals. Even though we came fourth in swimming and athletics we pulled through in other competitions. When it came to running in the X Country the girls did well in coming third and even better when they put their brains together for the Interhouse Academic Challenge. We came second in both the junior and senior challenge so WELL DONE to the girls who volunteered themselves. You did us proud!

We pride ourselves in participation and encourage and support each other in all competitions. The roaring sea of green that is seen and heard at school events make us proud to say we are the leaders which guide that green sea to a (almost but not quite) victory!

Congratulations girls! Hopefully we see ourselves in the top three places for the house cup! Enjoy your time at SHC and take every opportunity life throws at you.

From your house leaders of 2010,
Jess Kinder and Hayley Wright

HOUSE REPORT - MARIAN HOUSE 2010

BLUE! BLUE! BLUE! BLUE! BLUE! BLUE! BLUE! BLUE! BLUE! BLUE! BLUE! BLUE! BLUE!

2010 has been a tremendous year for Marian! First off, we won the Swimming Sports after a close battle against Aubert. We had many great swimmers in our house which gave us this advantage. We would like to acknowledge those Marian girls who helped us gain this win. In the junior division we had Jessica Ennor who came second, in the intermediate division Amber Barendson won and we had Ashleigh Ennor (1st) and Anna Taylor (2nd) in the senior division. Well done to these girls and to everyone who participated, you were awesome! We kept up our raging blue house spirit at athletics sports where we were placed 2nd, though I believe at the top is where we should have been! Well done to Jessica Ennor for being our junior champion! Our annual cross-country was blue sea of eager Marian girls ready to run. We were again placed a splendid second, with the help from Amber Barendson our Senior Champion and Jessica Ennor who came 3rd in the junior division.

A big thanks to all the other year 13's in Marian for helping us out when we needed it and to all the Marian staff and followers for supporting us throughout the year!

From your house leaders in 2010, we would like to wish all future Marian house leaders the best of luck and to win back the house shield! GO MARIAN!

"Ole, ole, ole, ole, BLUE house... BLUE house!!!!"

Blessing the Tech Block

On Sunday 28 February Bishop Peter blessed the \$750,000 revamp of the Technology / Social Science blocks at our College. This includes a Seminar Computer Suite/Social Sciences room, upgrading the Food Technology and Textile rooms. Other special guests were Mayor Barbara Arnott who cut the ribbon and opened the areas, Mrs Mary Neazor from Catholic Schools Board, Mr Chris Tremain, National MP, and students from contributing schools.

O'Shea Shield

This year's O'Shea Shield was held at Francis Douglas College in New Plymouth. Sacred Heart put together an amazing team, who all performed marvellously, a real credit to the school.

We came 5th equal overall out of the seventeen participating Catholic colleges. Our team was:

Junior Prepared speech: Olivia Lawrence

Oratory: Nivana Manson

Impromptu speech: Jordan Anderson

Scripture Reading: Hinemaria Onesi

Debating: Jordan Anderson, Christina Noetzli, Michelle Porter

Religious Questions: Laura Ferrick, Georgia O'Grady, Anna Mooney

Touch-a-Heart

This year, a new programme entitled "Touch a Heart" was launched. It aimed to encourage our Sacred Heart girls to go out into the community and help other people, not for personal gain but simply out of the goodness of their hearts. Touch a heart was very successful at giving all the girls an opportunity to show Catholic Love in action.

Some of the different types of activities girls took on were

- Baking for an elderly neighbour
- Playing games with the children from Fairhaven
- Visiting rest homes.

Passion Play

Once again this year we staged a symbolic re-enactment of the events of Easter, with student 'actors' supported by readings from the staff and songs from the students.

Year 9 performs at the Feast Day concert

Feast Day

On the 11th of June, the Sacred Heart community joined together to celebrate the Feast of the Sacred Heart of Jesus.

The day began with Mass at St Patrick's church, with the theme of "The Look of Love". Mrs Warrington and Mrs Pipe were recognised for their Look of Love in the office.

We then were lucky enough to have our friends from Fairhaven School visit us and join in with Form class shared lunches and our afternoon concert.

The Concert's theme was television programmes, and each form class presented an impressive performance.

Overall the day was a lot of fun and a great opportunity to bond together as a school.

Confirmation mass

On the 12th of September, approximately one hundred confirmation candidates from all over Hawke's Bay, after months of preparation, were confirmed by Bishop Peter, and Bishop Owen. This happened at a Pastoral Mass held at Pettigrew Green Arena.

The college at the Confirmation Mass

Bishop Peter at the Confirmation Mass

Over 2000 people attended including staff and students from every other Catholic school in Hawke's Bay. This was a very special mass and it was great to see such a large number of Sacred Heart girls supporting their sisters at this big step in their faith journey. Some Sacred Heart girls were even given the opportunity to sing and play instruments during the mass.

Confirmation candidates from Sacred Heart were: Tara Crompton, Michaela Darmody, Katie Dickinson, Kate Epplert, Noelle Faka'osi, Viivale Gafa, Emma Greaney, Georgia Hanara, Moriah Harte, Georgia Hill, Kiriana-Zane Jones, Hipera Kelly, Atrades Manson, Petra Minehan, Anita Noetzli, Charlotte Oliver, Millie Oliver, Hinemaria Ones, Anna Price, Sarah Sandilands, Alexandra Simpson-Smith, Crystal Soper, Jeanie Su'a, Jemma Tocker, Ocean-Maria Wainohu, Roseanna Ward, Tayla Ward, Ariana Williams, Annie Wilson and Katrina Wright.

Hot Food Day

This year Hot Food Day was held on the 23rd of September. It was a great day despite the chilly weather. The money we raised plus the gold coin donation each student gave for mufti came to a grand total of \$1704. We have decided to put this money towards helping the Kuyu centre (an orphanage) in Manila, the Philippines, the Christchurch earthquake appeal and the Pakistan flood appeal.

Catholic Schools' Day

A unique day for all catholic schools was held on the 19th of May. We had students from Reignier Catholic School, St Patrick's School and St Joseph's school join us in celebrating this special day up on the hill. At our school assembly, the school banners were on display and student representatives of each school told us something about their school banner and school history.

Retreats

Retreats were enjoyed by all year levels this year

Year 9s are to spend a day on a Tangoio farm.

Year 10s enjoyed learning about and experiencing a working Monastery-Southern Star at Takapau. The girls reflected on their personal journeys both personally and with Jesus.

The Year 11s spent their special day at St Patrick's church.

The Year 12s spent their day on a farm near Tangoio. The theme was Leadership, with St Peter as their role model.

The Year 13s visited a garden labyrinth – Riviresco, which means 'I grow green again'. It was a very special day to clear the girls' minds and gain insight into their spiritual journey.

ACADEMIC COMMITTEE REPORT

from Michelle Porter and Ampili Mathews

It has been an exciting year for our academic committee. We kicked the year off with the Endorsement Assembly, where our diligent and committed students who received Excellence and Merit endorsements were recognized. We celebrated their momentous efforts with parents, teachers and the school. We also hosted the Academic Challenge this year, held between the high achievers of Sacred Heart College and St. Johns. We are proud to bring the trophy back home where it belongs, after far too many years at St. Johns!

A big thanks to our junior team Anita Noetzli, Aimee-Jane Anderson O'Connor, Olivia Lawrence, Rachael Iremonger, Christine Stewart, and Bridget Donkin; and our senior team Leilani Naera, Jordan Anderson, Christina Noetzli, and us.

Also, throughout the year senior students have been giving up their time to tutor students in Maths. This has yielded some great results, and we hope that both the tutor and the tutee have got something out of it. Additionally parent-teacher interviews have provided valuable information to be shared between school and home.

It has been a great year academically, with many students achieving their goals. It was a fantastic privilege to be your Academic Leaders of 2010, and we wish you all the best for your future.

SOCIAL COMMITTEE REPORT

Wow, what a busy, exciting, memorable year for the social committee! So many social happenings around the school have been squeezed into what seems such a small space of time.

The year kicked off with the first junior social at St Johns which was themed 'musicians'. The DJ got everyone going and along with the mesmerising outfits of some of the students the night was a huge success. Term 3 saw the last social of the year which was themed 'Black, White, Fluro,' and as you could imagine, the hall was a blaze of colour. Both socials were huge hits and we would like to thank all the juniors who made the night as enjoyable as it was.

The highlight of the social year was of course the Senior Ball. It was again held at the Napier War Memorial Conference Centre and was themed "A night in Paris." The Centre looked simply amazing, decked out in beautiful red and white decor accompanied with rose petals and fairy lights to complete the look. Carrying on the theme of glamour, the boys dressed as perfect gentlemen, yet it was the girls who truly stole the show, all looking absolutely gorgeous. The parent and teacher involvement in the night made it truly special, and teachers, we LOVED the can-can girls' outfits! It goes without saying the night was amazing, and it will be one your social leaders and many other seniors will never forget.

The Year 11 Formal was proudly carried out this year by several diligent Year 11 girls who successfully organised the night for their peers from both Sacred Heart and St Johns by themselves. The night was a hit, and it was great to see the Year 11's out having fun as a year group. A big thank you to all the teachers who gave up their time to attend this event, we are very lucky to have you!

The final event on the social calendar for 2010 is the annual Year 13 Leavers' Dinner. This year we are switching things up by having it at Ormlie Lodge which we are sure will be a fantastic venue for all our Year 13 girls and their families as well as our teachers. It will be our very last social event as Sacred Heart girls, so it is sure to be an incredible night!

Finally, we would like to say a massive thank you and job well done to everyone who has contributed to the social happenings at Sacred Heart this year, especially the teachers, senior management, and of course our amazing liaison teacher, Mrs Naidoo. We really couldn't have done it without your help and encouragement. As your social leaders for 2010, we hope you girls have had an enjoyable year, and thank you for being part of everything we have organised!

God Bless,

CULTURAL ACTIVITIES REPORT

Maori

Kia ora koutou katoa.

What a successful year it has been for us in 2010. Our Maori calendar has been jam-packed with some massive events that have kept us busy all year long.

In the first term our Kapa Haka team participated strongly at the Regional Competitions. This took a lot of practice and hard work, paying off in the end. Thank you to the friends and family who helped us out and to the girls who did us so proud. Our annual Year 9 Noho Marae took place at Te Aranga Marae in Flaxmere. This year our Maori leaders; Jazz, Ally, Leilani and Nivana, all had roles in teaching our teina different aspects of Powhiri and Matariki. We all enjoyed the day and were happy to be passing on our Maori culture to our Year 9's.

Term two was definitely the most hectic, with the Maori students being involved in almost every event. Nga Manu Korero Speech Competitions saw three of our students displaying the oratory skills. Representing our school we had Hera Ani Pakoti, who spoke in the Senior Maori section; Madison King for Junior English and Shaiann Maue for the Junior Maori section. Congratulations to these girls for their efforts and to Shaiann who got us a placing of third! We then had our Maori New Year celebrations – Matariki, which were held at the Hastings Opera House. This was a competition of Maori past time games of which the entire Kapa Haka team was entered. The games were: Karuru (knuckle bones), Mahi Whai (string games), Hei Tama Tu Tama, Whakaropiropi, Poi and a Hip Hop dance competition as well. Special commendations to; Kiriana Jones, Aorere Hudson-Piper, Jemma Tocker and Atrades Manson who came first in Poi, receiving a beautiful trophy for their achievement. Straight after this event we all had to go straight over to

Te Aranga Marae where our Whanau Hui was to be held. The Whanau Hui was for our parents and us to have a say in the happenings of our education. The night was very successful with our parents showing great interest and giving loads of useful feedback for ways we could improve our future. Rounding off term 2 was the Arts Festival, seeing our Kapa Haka Group open the night as we always do. The girls performed a mixture of contemporary songs with a few classic waiata well known to Ngati Kahungunu. Overall the occasion was a fantastic night out being entertained by awesome talent.

Of course none of this could have ever been possible without the amazing help and guidance from Whaea Stewart and Matua Laveta. We would just like to thank these two incredible people who have organised and prepared every single Maori affair at school. They have been the driving force for our Maori community, in what has taken some time to establish.

They have also been there for us since first starting Sacred Heart, assisting us in becoming the leaders we are today. We will both miss them very much and extend our utmost appreciation. Also, to the rest of the school who we will be leaving behind; thank you for your love and support. We will miss each and every one of you.

We now leave with a message to all Sacred Heart students "Kimihiā te matauranga, engari kaua e wareware te matauranga o to tatou tupuna" Seek knowledge, but, do not forget the knowledge passed down by our ancestors.

Pacifica

The year for Pasifika started off slowly. The SpacPac Committee had decided to go into recession and said there would be no Festival Week this year. This news was greeted with real disappointment and left a spirit of despondency amongst the girls. However a group of local teachers who are passionate about Pasifika Education decided to pick up the baton and run with it.

In July, schools were notified that we would have a Cultural Festival in August because Pasifika has to continue to be celebrated. Our leaders, Rosita Vanu and Judy Faka'osi joined me at the committee meetings and presented the news to the girls. We had a limited time to get organised. The girls approached Whaea Stewart to assist them with their performance and what a polished performance the girls presented at the Cultural Festival that was held at Hastings Boys High School in August. The theme was 'Migration' and Whea Stewart brought out, through dance, the story of the migration and integration of our people.

To coincide with the Festival we once again had a very successful Pasifika Fono at Saint John's College. This year we combined with the

Practising for the Pasifika Festival

Saint John's Pasifika Group and as part of the Fono the young Pasifika leaders from both Colleges shared their education journey and their hopes and dreams for the future. Each one was truly inspirational and as educators we felt privileged and challenged to be involved with these wonderful students.

Apirana Taylor

Apirana Taylor

On 23 August we were treated to an afternoon with Apirana Taylor, poet, writer, musician and storyteller. For an hour he had our senior students enthralled as he shared his poetry, accompanied with a variety of traditional Maori instruments and guitar. It was truly magical as he painted such beautiful pictures with his words and music. To hear a poet speaking about his poetry certainly makes it come alive.

Part of the Oral Communication focus is on poetry reading. To have listened to a poet expressing his poetry as Apirana Taylor did was such an experience. I was sorry not more of our girls were able to enjoy the afternoon.

Our thanks go the New Zealand Book Council's 'Writers in Schools Programme' for organising this visit.

Java Dance - aspiring dancers train with the professionals

Java Dance workshop

The Java Dance workshop, four vibrant young dancers/choreographers and their director, visited school on 19th August and worked with thirty-four enthusiastic students and achieved an impressive amount in a short time. Once warmed up, students worked as a duet to develop the theme 'commanding one's own space'. It is impressive to see how quickly ideas can be transposed to movement.

They also visited Miss Bicknell's Yr 11 PE class, which has a dance component and spoke for an hour about how they began their dance journey which included three years full-time training at the NZ School of Dance. The 'pre-workshop' talk culminated in a video clip of a 'work' filmed and performed on a moving bus. The visitors also introduced themselves, shared their interest in different types of dance and explained why they like to move to music. The Java workshop was subsidised by our Arts Festival.

Library 2010

2010 has been a year of highs and lows. The sudden death of our Teacher in Charge of the Library, Trish Carthew was devastating. Mrs Carthew had been our Teacher in Charge of the Library for 18 years and in that time the Library was certainly known as Mrs Carthew's domain. She was passionate about reading and books and liked to be the first to read the new books.

As a way of remembering Mrs Carthew, the garden of the Reading Court, outside the Library, has been developed into a Memorial Garden. It is proving to be a popular place for both staff and students to spend some quiet time.

The PTA also very kindly made a considerable donation to purchase books in memory of Mrs Carthew. The books we selected reflect Mrs Carthew's interests.

This year, twenty three Year 13 students offered to support the Library as Student Librarians. They have been a very supportive group, helping out in the different aspects of the daily running of the Library and in special events such as Library Week.

One highlight of the year was a visit from Apirana Taylor. A group of Year 12 and 13 had an inspirational afternoon hearing Apirana sharing his poetry mingled with traditional Maori musical instruments and guitar, Apirana Taylor's poetry was both touching and thought-provoking and made so special by hearing the poet himself reciting it.

The Library has had a busy but successful year with both students and staff availing themselves of the facility.

Senior debaters Christina Noetzli, Michelle Porter and Jordan Anderson in action

Debating

Debating grew bigger and stronger in the school this year. We fielded teams in the junior, intermediate and senior divisions of the Hawke's Bay competition; all of them acquitted themselves well, and some exceptionally so.

We also hosted two rounds of limited preparation debates for the first time, when fourteen teams from all the competing schools in the intermediate (Year 11 division) climbed the hill to debate in front of different Sacred Heart audiences. This gave many classes exposure to competitive debating that they hadn't had before. In limited preparation debating teams are given the moot where they arrive at school. They are then allowed an hour for preparation without any resources, so they have to have quite extensive background knowledge and the ability to think quickly! Our thanks to Mrs Naidoo for organising these days of competition (and co-ordinating debating in the school).

Our Year 11 team of Anna Price, Alexandra Simpson-Smith, Kehlsi Ramsay and Charlotte Oliver represented the school admirably in both limited preparation and prepared debates. They were coached by Mr Marshall, Christina Noetzli and Michelle Porter.

We had very strong junior team of six girls in 2010; Aimee-Jane Anderson-O'Connor, Alisha Davis, Rachael Iremonger, Olivia Lawrence, Anita Noetzli and Hannah Petrie. The student coach was Jordan Anderson (THANKS JORDAN!) and Mrs Jowett-Morel also coached them. The team debated about exams, problem children and single sex schools and won three out of four debates.

Our Year 13 Team of Christina Noetzli, Jordan Anderson and Michelle Porter continued on their winning way after winning the senior non-premier competition last year, beating Karamu HS in the first limited preparation debate and Lindisfarne College in the first prepared debate. They also represented the school with distinction at O'Shea Shield, but unfortunately work commitments meant that we had to pull out of the Hawke's Bay competition for the final two rounds. Mr Brown has been coaching this team for the last three years.

STAGE CHALLENGE

Stage Challenge is always a monumental (with the emphasis on mental) undertaking and this year was true to form. Once again the Year 13s devised an idea and saw it through to a stunning performance. This year, in keeping with our special character, our performance was based on episodes from the Old Testament with animals from Noah's Ark crowding the stage along with Goliath and his Philistines and assorted serpents, Israelites and Egyptians.

We took a cast of ninety and a crew of fifteen to the Hawke's Bay Opera House on performance day and were without question the loudest school in the theatre. We also performed spectacularly well and although we weren't placed this year we picked up a satisfying bunch of awards. Congratulations to all the girls but especially the Year 13s who led them, notably Jordan Anderson, Brooke Harwood and Sarah Jeffares. Thanks also to Mrs Greville for her invaluable help with costumes and sets and to Mrs Jowett-Morel for her support during rehearsals and performance.

Music

Music remains as strong as ever in the school. A new Year 9 choir 'Les Petites Chanteuses de Sacre Coeur' was established and the Marian Choir continued with performances at the Big Sing and even at an ex-pupil's wedding!

We entered two groups in the Chamber Music festival and in addition Mr Lundall instituted a ukulele orchestra which made its public debut to massive acclaim at the Arts Festival.

Our Jazz Band, tutored by Mr Lundall and Mr Anton Wuts, entered the NZ Band Federation Competition in August. Louise Ah Lam, Jordan Anderson, Katherine Dunstall, Judy Fa'kaosi, Sarah Sandilands and April Woodhead performed a bracket of four pieces on the outdoor stage in the Hastings town centre. Later that day, the Jazz group were entered as an ensemble in the competition at Lindisfarne College and were awarded a bronze medal.

ARTS FESTIVAL

Our annual Arts Festival took to the stage again this year on Wednesday 30 June at the Century Theatre. A full house of families and friends enjoyed an action packed two hours of music, song and dance. Arts Co-ordinator Mrs Ebbs and Mrs Greville organised the show and Mrs Pipe was once again the compere. Thanks also to Mr Lundall for his work with the school musicians and choirs, and to our wonderful itinerant teachers, backstage and front of house crews.

Disco Inferno

It was St John's turn to run a stage production this year and they opted for another great rock'n'roll spectacular – Disco Inferno, with a full complement of great songs from the 70s. Disco Inferno is the story of young man who has everything except the thing he wants. He pursues his dream of becoming a pop star and loses all he has, his fiancé, his friends and his soul. The story is about not realising what you have until it is gone and finding out what truly is important. Based in the 70's the show meant the cast had to learn all about the fashions of the 70's – even doing the disco.

Our thanks to Mrs Edina McFarland, Ms Zac Anderson, Mrs Jane Ngui from St John's for their fantastic work!

GETTING OUT OF THE CLASSROOM

Year 13 Geo at Cape Kidnappers

13 GEO TRIP

On 1 March Yr 13 Geography travelled to the Cape to study the Geographical landscape formation for their external examination. We also travelled on the tractor trailer and visited the colony of Gannets with its amazing view of the East Coast. It was an educational, 'smelly', and breathtaking experience.

Y12 TRIP TO THE RUAHINES

In the middle of March our girls set out to conquer the Sunrise Hut Track in the Ruahine Ranges as part of our 2.1 Natural Landscape External Assessment. We started the journey at a steady, energetic pace expecting an 'easy' climb as described on the internet. However, twenty minutes into the three hour trek our pace rapidly decreased as we came to the realisation that their idea of 'easy' was our worst nightmare. As budding Geographers we did not let this dampen our spirits. Rather, we focused on the amazing views and environment we were experiencing and looked forward to acing our end of year exams. The excessive amount of chocolate allowed us to finally reach the summit after two hours of literally climbing into the clouds. We then settled down for a night of Geography quizzes and heaps of laughs. Before bed we reluctantly set our alarms for a 6am wake up. After dragging our sore bodies out onto the deck we were amazed as we watched the sunrise over the Heretaunga Plains. The hut definitely lives up to its name. Having accomplished all that was needed we began our much easier descent to the car park and into the vans where we used the last of our energy singing to the radio on the road home, much to Miss Rutherford's amusement. Big thank you to Mr Anderson, Mrs Mckey and the expeditioner herself, the amazing Miss Rutherford, for making it such a great experience. Yes, we'll all get excellence!

- Melanie Hinton and Georgia O'Grady

YEAR 9 CAMPS

At the start of the year Yr9 took part in an overnight camp at the Guthrie Smith Outdoor Education Centre at Tutira. Ryan, the instructor, told the girls they would challenge themselves—how much they would challenge themselves was up to them. All girls participated in high ropes, flying kiwi, canoeing and teambuilding activities. Many of them set and exceeded their challenge. In the evening they went for a night walk in the bush and saw some amazing glow-worms. The girls had a fantastic time (but not a lot of sleep!) and came back to school knowing a great deal more about themselves, their classmates and their teachers! Thanks to Mrs Osborne and Mrs Wakeling for organising this wonderful experience, and the staff who attended, took part and supported the girls. A huge thanks to Shelley Riddell, Karlene Molloy, Jo Wright and Kate Paterson—the 'camp mums'.

Year 9 Marae visit

YEAR 9 MARAE VISIT

On Friday 12 March our Yr 9 students gathered at Te Aranga Marae in Flaxmere for a day of Tikanga, Karanga, Karakia and Haka. Whaea Stewart and Matua laveta conducted the Manuhiri and Tangata Whenua parts of the Powhiri during which some amazing voices emerged—Ka rawe! Alexandra Cox, Jazz Kora, Nivana Manson and Leilani Naera showed their leadership and skills in teaching Whai (string games), haka and poi plus how to take care of the Marae. Ka pai!. At the end of the day our Yr 9 girls showed their unity and strength by performing the Haka and singing a truly beautiful version of "Mo Maria". Thank you to everyone for making this a great experience for our girls.

Year 11 Geo discovers wine: Annaliese White, Kristie-Rose Nicholas, Aorere Hudson-Piper, Steph Boyd, Kehlsi Ramsay

Y11 GEOGRAPHY TRIP

On 24 March our Y11 Geography class travelled to the Esk Valley Estate Winery to research the production of grape growing and wine making. This gave us the opportunity to gain a 5 credit Internal Assessment. We were taken around each section of the vineyard by wine expert, Mr Russell, who spoke about every step that goes into producing the best wine. We even got to try Merlot grapes straight off the vine that were being used to make \$100 bottles of wine. We also tasted grape juice that was just at the beginning of fermentation.

Snow trip

YEAR 9 SNOW TRIP

On the weekend of 3-5 September nine Yr 9 students travelled to the Ruapehu ski fields. Huge thanks to Ms Fouhy, her sister Judith and Mr and Mrs Jowett-Morel. The girls had a blast!

YR 13 TERTIARY VISIT TO WELLINGTON

Twenty-two eager students set off by bus to Wellington on Thursday 26 August. On arrival, they sampled what Wellington city had to offer in the way of food, entertainment and backpacker accommodation. On Friday the girls visited tertiary training venues including Massey University (Wellington), Victoria University and the New Zealand Institute of Sport. A very busy and productive visit when students were able to investigate first hand study options for next year

SPORTS REPORT from Jazz Kora and Judy Faka'osi

We have had a very busy and successful SPORTS year for 2010!!

TABLOIDS

We kicked off the year again with Tabloids sports on the 12th February, which saw the Year 13s dressing up as hunky blokes and all the other forms showing a beautiful array of colours on the top green. The weather was great and several activities were on display. Our theme this year was "Love and Aroha." It was awesome to see all the girls and staff having a great time.

SWIMMING SPORTS

This was held at the Onekawa Swimming Pools on the 18th February which proved to be another great event on this years sports calendar. The pool was blazed with all four house colours and cheers raised the roof through out the whole day, with 4 records being broken by our junior champion, Natasha Brewer.

Junior

- 1st Place: Natasha Brewer
- 2nd Place: Jessica Ennor
- 3rd Place: Grace Meates

Intermediate

- 1st Place: Amber Barensen
- 2nd Place: Bryny Whittaker
- 3rd Place: Aden Dick

Senior

- 1st Place: Ashleigh Ennor
- 2nd Place: Anna Taylor
- 3rd Place: Siobhan Hughes

ATHLETICS

Our Athletics sports took place on the 3rd of March down at Marewa Park. The weather was perfect and the field was filled with an array of colours. Our athletes produced many stunning results.

Junior:

- 1st Place: Jess Ennor
- 2nd Place: Christine Stewart
- 3rd Place: Patricia Del Rosario

Intermediate

- 1st Place: Anita Noetzli
- 2nd Place: Viivale Gafa
- 3rd Place: Anya Morrish

Senior:

- 1st Place: Judy Faka'Osi
- 2nd Place: Melanie Hinton
- 3rd Place: Usoaliitania Seumanutafa

WAKA AMA

This year we had 3 teams participating in Waka Ama. Practices commenced on Tuesdays and Thursdays at the Clive Pond. However, all our hard work at training paid off when it came to Bluelight competitions, where Sacred Heart had many successful results. Our top team were moved up to the top grade where they performed with great spirit. A big thank you to Mrs Hocking and Sarah Gray for their hard work and support for all the girls.

VOLLEYBALL

We had a very strong volleyball team this year, who participated in the Hawke's Bay competitions and qualifying for the regionals. Our girls showed great team work throughout the year and produced many great results.

TOUCH RUGBY

Thank you to Ms Fouhy for her commitment to touch this year and to all the girls for making the commitment to attend practices and games. What an amazing year it has been for touch.

FOOTBALL

We fielded three football teams this year, making the sport the second most popular winter sport in the school. We were lucky to get a talented and enthusiastic group of Year 9s and they should ensure that football continues to grow at Sacred Heart.

Mel Hinton challenges against competition winners Taradale, with Jamie Curry backing up.

1st XI

The first XI was coached again by Terry O'Neill who took us to a creditable 5th place in the first division of the Hawke's Bay competition. This is a tough competition with no easy games but the girls were always competitive, in spite of a heavier than usual toll from injuries and illness during the long season. Standout players were the team captain Mel Hinton and vice-captain Annaliese Halpin with Brynny Whittaker and Hayley Wright always strong on defence. Newcomer Jamie Curry will be a player to watch next season.

2nd XI

The second XI was coached by Katie Dickenson and managed by Mr Scott until his departure for Abu Dhabi. The team played again in the third division and were highly competitive, finishing 3rd out of 12 teams.

3rd XI

The third XI was coached by Mr Pat Greaney and managed by Mr Marshall. Like the second XI, they played in the third division but they also competed well and with a large group of junior players the team will only get stronger next season.

NETBALL

Our College A Netball team had a slow start to the season this year, with new players and a new management team. However, the girls produced many great results including 2nd Place in the Plate final and 5th Place in the Lower North Island Regional Tournament in B Grade. Judy Faka'osi was also named in the tournament team. We also

had many successful results with throughout netball with our Senior Development team winning their grade. We would like to thank Mrs Osbourne for her commitment with Umpiring and support throughout the season.

BASKETBALL

This year our Senior A Basketball College team had a very good start, winning by 60 points in our first game and losing by 10 points to last year's runners up. As the year continued, many successful results were produced, bring our team up to the top of B Grade. Every practice commenced on Wednesdays after school and produced many lay ups, suicides and laughter throughout the whole season. We would like to thank all the players for their great commitment this year and a special big thank you to Mrs Koenders for her commitment and hard work with the team.

Senior A Basketball Team Report

2010 basketball season, was full of intense trainings, running many suicides (thanks Mrs. Koenders!) and learning some magnificent plays. I must say that the "Kina" and "Jellyfish" plays were indeed quite a success when we did run them. Our girls worked really well together and displayed great sportsmanship and fair play throughout the season.

Facing many challenging teams (Hukarere and Hastings Girls), I am proud to say as Captain of the Basketball team that our girls put up a good game for the opposition and in some cases we managed to walk away with a win. We won against Iona by 82 to 42, Napier Girls B by 65 to 42, and ended up being placed 3rd in Division 2 with a closely fought final game against Napier Girls B that we won 42 to 33.

A major highlight in our season was our Cullinane sports exchange which was hosted in Wanganui this year. Despite playing in bare feet and stumbling down the slippery court our girls were pleased with the final score of 11 - 26 to us.

Congratulations to all the girls: Jazz Kora, Nivana Manson, Hera Ani Pakoti, Aorere Hudson-Piper, Maddison King, Solana Harte, Liitania Seumanutafa, Moriah Harte, and Kristi-Rose Nicholas for their effort and participation this year. A BIG thank you to Mrs Koenders for time spent coaching us, we really appreciate it and thank you to all the parents for transporting your girls and allowing them to be a part of the Sacred Heart Senior Basketball Team 2010.

Hera Ani Pakoti

CANOE POLO

This season started off as a blast! Our top team began in the B2 grade but after fantastic grading games they were promoted to B1 grade. Our C team also played a great season. We would like to say a big thank you to Ian Wright (Coach of B team) and to all the girls for attending all games and practices and making this year an awesome canoe polo season.

Anna Taylor

EQUESTRIAN

We have a very small pool of competitive riders in the school at the moment and with Sarah Cotter's horse in foal, it was left to Deannah Jimmieson of 9Me to represent Sacred Heart at local competitions.

Deannah Jimmieson on Magic at the HNHS jumping day.

CROSS COUNTRY

Our cross country was held on the 18th May at Park Island. This year cross country was optional, however we still had an outstanding number of students participating in the event. The run/walk was 3.2km. Congratulations to Amber Barensen for 1st Place in Senior section, Anya Morrish for 1st Place in the Intermediate section and Jamie Curry also 1st Place in the Junior section. A big thanks to Matua laveta for his outstanding contribution throughout the year with the running club which helped girls with this event.

CULLINANE SPORTS EXCHANGE

This year's sports exchange was held in Whanganui, and was another successful tournament on our sporting calendar. We took four teams down: Basketball, Netball, Hockey and Badminton, and won everything. The weather was not very good but this didn't let our team spirit fade away. A big thank you to Mrs Osborne and all the coaches for their hard work and support!

MISSION CUP AND TE TOA HOCKEY TOURNAMENT

This year the Mission Cup and Te Toa Tournaments were held by one of our sister schools, St Joseph's Maori Girls College, Greenmeadows, Napier. These tournaments are played between the six Mission schools; Sacred Heart (Hamilton), Sacred Heart (New Plymouth), Sacred Heart (Lower Hutt), St Josephs Maori Girls College (Napier), Cathedral College (Christchurch) and ourselves. Our girls were welcomed by an amazing powhiri and beautiful songs sang by St Joseph's. Our College

Goalie Kehlsi Ramsay in action.

Netball Team had an amazing tournament, achieving great results throughout. These included, a whipping against Cathedral College ??-??, a draw with St Joes and a loss by ?? to the defending champions of 2009 – Sacred Heart Hamilton. Our Hockey girls also had a great tournament. Unfortunately they did not win any games, but they never gave up at any time. Both teams played with great spirit and pride. We couldn't have asked for more.

Olivia Mador - Waka Ama u19 New Zealand

INDIVIDUAL ATHLETES

Olivia Mador represented New Zealand at the Waka Ama World Champs in Noumea in July this year.

"It was an awesome experience for me to represent New Zealand in Waka Ama. I am so passionate about this sport and it was such an honour. Winning a Silver and a Bronze at the World Sprints was a huge achievement for me."

Olivia was selected for the H.B. Secondary Schools' Elite Sports Academy and went on to claim the Junior Sportswoman of the Year award at the Ngati Kahungunu Sports Awards in November.

Courtney-Jane Harris - H.B U15 Softball Reps

Kathrine Dunstall - U19 Waterskiing team

Aorere Piper - Hawke's Bay Rugby team

Judy Faka'Osi - Lower North Island Netball Tournament Team

Maddison King - U15 Hawke's Bay Basketball team

Jamie Curry - Hawke's Bay Secondary School's Badminton B grade title, plus the HBSS Badminton doubles Championships B Division with Courtney - Jayne Harris.

CYCLING

Cyclist and past pupil Ashleigh Neave was crowned the U19 National Champion in the Women's Time Trial and was selected to represent New Zealand in Canberra in June. AND to top that off, she was also selected to represent New Zealand at the Junior World Championships in Italy in August. She spent two months in preparation for the Worlds in Europe and produced a very brave performance.

This is how Cycling NZ reported what happened:

Aug 9th, 10. 18 year old Kiwi Ashleigh Neave was in great form and having the ride of her life at the UCI Junior Road World Championships when a crash ended her race and left her with a broken bone.

On lap three of the five lap 80km course in Offida, Italy today, Neave was positioned well when a pile up happened in front of her. Neave managed to avoid the first two riders but not the third and she became

one of about a dozen riders to crash. She thought she had popped her shoulder, so she pushed it back into place, remounted and began the chase back to the bunch.

By the next lap she caught the bunch, but on the climb the pain in her arm was too great. Neave made the tough call to abandon the race. After inspecting the Napier rider, the race doctor sent her to hospital where she was diagnosed with a break at the very top of her right arm where it meets the shoulder. She will be in a sling for the next 13 days.

Two days earlier, Neave placed 17th in the individual time trial. A Top20 result is a great achievement.

Ashleigh Neave competes in Italy
